

# ARTH 551

## Intro to Museum

Maymester 2017

# Studies

May 17 – June 2  
2017

9 – 12:15 PM

This course fulfills EE  
requirements.

Includes visits to several  
museums in the  
Research Triangle region.

The course introduces students to the history, theory, diversity and practices of museums.

We explore the ways museums function in contemporary society, some of the issues they address today, and innovative ways we can integrate museums into our lives.
