German Grammar in Context

**Instructor: Dr. Tin Wegel**

GERM 400 is an intensive German grammar course for advanced undergraduate and graduate students. Over the course of the semester, we will review grammatical structures and learn new ways to use them. We will therefore strengthen your writing and speaking skills by looking at different modes of expressions.

*Hybrid course with two face-to-face meetings a week.*

*Readings, video lectures and other assignments will be completed outside of class.*
